Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the WSDOT US 12 Bridge Street-Diagonal Street project in surface transportation reauthorization legislation.

The project sponsor for this project is the Washington State Department of Transportation and the project is located at 2714 N. Mayfair Spokane, WA 99207.

The funding is designated for constructing a roundabout to reduce congestion and improve mobility through the intersection for passenger vehicles, transit, freight, and pedestrians.

The project is an appropriate use of taxpayer dollars and is anticipated to have the benefits of providing safety improvements for the traveling public, including pedestrians.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
